MEMORIAL DAY

Our Memorial Day fun-fly was a big success. Many, many thanks to all the members and their wives for the fantastic pot-luck lunch. Tom and Donna's marinated chicken was fantastic. Several visitors commented to me about how great the food was. The cooks were busy as I was told that they served over fifty guests. We had visitors from Carson City, Fernly, and Reno. Thanks again for everyone's hard work and participation in the contests. Barb Mower made the pictures for us and made the Newsletter much better. BJ

The awards required "special attention". It was not that they were all that delicate, but it was felt that if the contestants saw the awards in advance they might drop out of the contests and leave.

The poker was wild. We played a new version called "Texas Hold-up". This was an appropriate name because several players said the thought they had been robbed. Dennis Lampson ended up with the winning hand.

Chip Mower won the Spot Landing Contest; Tom Walters won the Carrier Landing Event, and Brady Bell won the “Low as You Can Go” event.

For those who missed the organizational meeting, the “Club Cow-Pie Patrol” officials are instructed to avoid conflict but they are likely armed with cameras which may be used in gathering evidence to be used at “Cow-Pie Award” hearings.

Minutes of Monthly Meeting June 3, 2021

- I. The meeting was called to order at 7:00 pm by President Jim Kelso at the Jim Kelso's shop. Thirteen members and guests were present.

When I say "the other day" I could be referring to anytime between yesterday and fifteen years ago.

Sixty might be the new Forty... But 9:00p.m. is the new midnight.

I always read my wife's horoscope to see what kind of day I'm going to have.
