March 2019

AT THE LAST MEETING...

THE NEXT CLUB MEETING IS ON FEBRUARY 7TH IN JIM KELSO'S GARAGE AT 7:00 P.M.

OUR NEXT EVENT IS THE CARRIER LANDING CONTEST AND BARBEQUE APRIL 27. AT THE CLUB FIELD

Bob Heitkamp showed his Freewing T-45 Goshawk. The model is 56.5 inches long and has a wing span of 45 inches. It has a 90mm fan with twelve blades. Nav lights and landing lights work and uses a six cell lipo. Bob coated this model with Orange-Glo for protection and it looks great. BJ

Tom Reinbolt's show and tell was another Freewing model of the L-39 Albatros. Wingspan is 41.5 inches and the length is 53 inches. It uses a 80mm twelve blade fan powered by a six cell lipo and 100 amp speed controller. Tom used Orange-Glo on his model too. BJ

Yours truly brought his Premier Cessna 170. Wing span is 86 inches. It weighs nine pounds and can be powered with a four, five or six cell lipo battery. Prop is 16 inches. No Orange-Glo yet. BJ

Sierra Sagebrush Flyers, Inc.
Minutes of Monthly Meeting
February 7, 2019

- I. The meeting was called to order at 7:05 pm by President Jim Kelso. Sixteen members and guests were present.
- II. The minutes from January 3, 2019 meeting were read by the secretary and approved. Dennis read a thank you card received from Laura Hickey.
- III. Treasurer's report: The current balance in our checking account is \$4,718.98.
- IV. Field report: The field continues to be muddy from recent storms, otherwise it is in good condition. We will need to organize a work party this spring to re-paint the sunshades and re-carpet a few of the work tables.
- V. Old Business: nothing to report.
- VI. New Business:
 - Schedule of Events: The club finalized a schedule of events for 2019. The schedule will be posted on our website: sierrasagebrushflyers.org ,
 - Barbara Mower presented a Wild West Video titled Heaven's Gate depicting the gate crash at our club field.
- VII. The Golden Cow Pie Award was deferred until March.
- VIII. Show and Tell:
 - Tom Reinbolt showed his Freewing L-39 Albatross 80 mm EDF Jet by Motion RC.
 - Bob Heitkamp showed his Freewing T-45 Goshawk Super Scale 90mm EDF Jet - PNP by Motion RC.
 - Bob Jones showed his Cessna 170 foam ARF from Flex Innovations. The plane has an 86 inch wingspan, weights 8 lbs, 11 oz, and runs on a 5 cell LiPo Battery. It can be purchased with an optional floats and skis. The base price is \$499.00.
- IX. Adjourn: The meeting adjourned at 8:00 pm. The next club meeting will be Thursday, March 7, 2019 at Jim Kelso's shop. Dennis Lampson

Bob Heitkamp and Tom Reinbolt applied Orange Glo Polish to their jets. Application protects the foam, stickers, and decals. It definitely hardens the finish and would make cleaning floats, etc. easier. It's about six bucks at Lowe's or Home Depot. BJ
